Snapshot

Elixir-India is the leading adhesive distribution firm operating nationally through direct presence in all the major industrial cities in India. We have been growing at a CAGR of over 30% since the past decade and consistently leading the growth in the adhesive distribution industry.

Collaboration

At Elixir, we nurture long-standing business partnership with global manufacturers and blend them with our ingenuity and deep know-how of application engineering. This enables us to provide top-of-the-line, high-technology assembly solutions for manufacturers across various industries.

Digitization

We are redefining the digital marketplace by leveraging data and technology to create innovative business models and enhance customer experiences.

Turnkey Solutions

Elixir offers comprehensive solutions catering to diverse industrial markets such as Automotive, Railways, Appliances, Medical, Engineering, and General Manufacturing. Our specialised know-how in mixing, dispensing and automation provides unparalleled end to end gluing solutions.

Vision

Our goal is to help designers and manufacturers find better ways to join and assemble parts.
